

OHSFC PARENT NEWSLETTER

Week of: 10/22/23

Report Cards for Quarter 1 will go home with students on Monday, October 23rd. If your student had a recent grade change that is not reflected on the report card, please know that what is in Skyward is correct. Now would be a great time to assess the need for additional help via after school tutorial. Tutorial will be held on most Tuesdays and Thursdays from 2:00 – 3:30.

Students may stay to get extra help or use the time to work on homework. Transportation will be available. Students may get permission slips from their math teachers or in the main office (205). Students must turn in their permission slip at least one day prior to staying if they need bus transportation.

[Please click here to check out our District Parent Guide.](#) This resource contains everything you as a parent need to know to ensure your student becomes The Successful Student.

We are currently working on our Veterans Day program for this year. If you or a family member of a student have served we would love to include your information and honor you during our assembly. I have emailed students a form to fill out. They may need your help to complete and submit a pictures. All submissions are due by November 3rd. Our assembly will be on Friday, November 10 at 9:30am at First Baptist Church ROC.

Take Stock in Children Scholarships are awarded to Indian River, Martin, Okeechobee, and St. Lucie County public school students in ninth grade who meet free and reduced lunch income guidelines as proven by family financial documents. Selected students are required to maintain good grades, behavior and attendance, remain drug and crime-free and graduate from high school. Parents must agree to support the educational goals of the student, allow students to meet with a volunteer mentor, and maintain good communication with the TSIC staff. **If they meet all of these guidelines, upon graduating from high school, they earn a four-year, 120 credit, tuition-based scholarship.** Their Associate's degree must be earned at Indian River State College. To earn a Bachelor's degree, they are more than welcome to earn it at IRSC or transfer to another Florida public college or university. The application for the Take Stock in Children Program opens on October 23rd, 2023. Please check the guidelines for income and if you qualify either submit the electronic application on the attached flyer or see Mr. Clark to get a paper application to fill out. You will also need 2022 1040 Tax Returns (pages 1 and 2 - must show as a dependent), Student Social Security Number (SSN) Card, and a copy of your report card with first quarter grades. The sooner you apply the more likely you are to earn the scholarship. Mr. Clark can help with the copy of your report card. Here is the link to the flyer with a QR code to apply online or get more information: [TSIC Scholarship Flyer](#). You can also access the application link on the website starting Monday, Oct 23rd - <https://irsc.edu/take-stock-in-children/apply-for-a-scholarship.html>

On Tuesday, 10/31 we will have some Halloween Fun. Students and faculty/staff are encouraged to dress up. We will have a costume contest with prizes during each lunch and award prizes for the best overall costume and the scariest costume. Costumes must meet school safety rules: no flak jackets, capes, blankets full face masks, inflatables, or trench coats.

Oh and in case you didn't hear the final results from HoCo Week, the Class of 2027 finished second behind the senior class overall and won FIRST in the float competition, dress up days, and games at lunch. It was a great week of activities and I am hoping they made some great memories during their first Brahman Homecoming Week. Check out our school Facebook page for the week in pictures (link in left side column). Follow us for a week in review with pictures posted every Saturday.

"When writing the story of your life, don't let anyone else hold the pen."
