

Week of: 3/17/2024

Welcome to 4<sup>th</sup> quarter! Here is hoping you had a great Spring Break with your student. This last quarter will be busy with scheduling for next year, testing, and wrapping up sports, etc. As we get busy with “all the things” please remember to keep your student focused on academics and grades needed to earn credit and maintain no lower than a 2.0 (C average) GPA.

No tutorial this first week back. After school tutorial will resume on Tuesday March 26<sup>th</sup>. It's not too late to get help to finish strong if needed.

OHS guidance counselor, Mrs. Dana Tedders, will be here in ELA classes on March 19<sup>th</sup> (Ayers) March 20<sup>th</sup> (Bates) March 21<sup>st</sup> (Mulvey) and March 25 (Whisman) to help students select classes for next year. Students will have 4 core academic classes next year and 3 periods for electives. Have some conversations about what elective classes your student has taken this year and what they might be interested in continuing next year. Band, Art, and Career and Technical classes like Ag, Construction, Auto, Digital Information Technology for 9<sup>th</sup> graders are foundational and upon successful completion students can continue on in those programs next year. Or if your student wanted to take a CTE course and didn't get the chance, they can start one next year. [Click here to access information](#) about the CTE Programs offered at OHS, including some new programs that will start in the fall. IRSC representatives have been visiting during lunches and will continue to stop by to answer Dual Enrollment questions. There registration for summer classes will start soon so if you have a student with a 3.0 and passing PERT scores, contact IRSC for summer class options. Be on the lookout for students to bring home important information from their class period with Mrs. Tedders and be sure to have them return their course selection sheets to their ELA teachers or she may be selecting their courses.

- Teacher Workday 3/18
- Grades final for Quarter 3 on 3/19
- 3/25 Report Card Day
- 3/29 Holiday
- 4/2 BEST Writing Test

We will kick off end of year testing starting April 2 with our BEST Writing Assessment. Please plan for your student to be here and well rested on that morning. Our test sessions take a few hours so please do not plan any appointments for students prior to 11 am on testing days. Students have the option to test longer, so if your student needs more time, then it is best to not plan any appointments for them on testing days.

Speaking of tests, if your student is still working to get the required PERT scores to register for summer or fall Dual Enrollment at IRSC, Monday, March 18<sup>th</sup> would be a great day for them to go test. It is a teacher workday and IRSC will be open. Click here to check out the flyer with information. [Here is the flyer with all the information](#) – there will be FREE DONUTS for testers!
