

OHSFC PARENT NEWSLETTER

Week of: 9/10/2023

Welcome to weeks 5 and 6 of the first quarter! Progress reports go out on Wednesday September 13th for all students. Please check with students as some teachers require a parent signature on the reports. Time is flying as quarter 1 is halfway done!

Start with Hello Week Sept 18-22. This week will focus on how students can support each other – a key element of the Brahman Way. During this week we will promote activities that help students connect with and support each other. Please [click here](#) to see the events for each day.

As a Title 1 district, each school implements a parent engagement plan each year. Our first OHSFC event will occur on Tuesday, September 19th from 6 – 8 pm. Turn about Tuesday will give parents and guardians the opportunity to experience the day of their freshman. You will go through an abbreviated version of your student's schedule, complete with a 20 minute pizza lunch and learn with OHSFC administration. Now that your student has been here for a little over a month, our teachers will share information about their courses and admin will share information about graduation requirements, Take Stock in Children Scholarship Opportunity, and information about homecoming. Students are welcome to attend with parents. If you are planning to attend, [please click here and complete the form](#) so we can make sure we plan enough refreshments for "lunch"

This year at OHSFC we have the following teachers teaching Out of Field:

Teacher Name	Current Teaching Assignment	Out of Field Area
Nelson Funes	Social Studies	ESOL
Corrina Whisman	Language Arts	ESOL
Alicia Woodall	Reading	ESOL

Students recently completed their FAST ELA Progress Monitoring 1 test. Parents can access these results via the Florida Family Portal. Please [click here for a flyer](#) with directions on how to access the portal and what information is kept in the portal. Teachers will have professional development this week on how to utilize student scores to plan for future instruction in understanding informational text and vocabulary development.

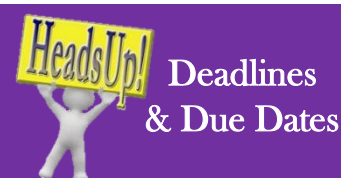

Every month our Career and Technical Education Coordinator will share the latest in CTE via his newsletter. Please [click here](#) to read the newsletter, featuring an article about our DIT class here at OHSFC. Mr. Roehm will also join us during Turn About Tuesday to share about the vibrant programs that many of your students are taking the beginning classes for this year as freshman.

Please remind your students to take care of their Chromebooks and chargers. Instructional resources, from textbooks to assignments, are accessed via Chromebooks. Students should keep their Chromebooks safely put away in book bags when not in use and charge them nightly for use the next day. Students get a new device each year so they are not allowed to add stickers or other decorations to Chromebooks. Many of you have purchased insurance for first time accidental damage. [Click here to read the OCSB Chromebook handbook](#) that outlines policies and damage costs charged for repairs.

The yearbook can be reserved for the lowest cost of \$40 through September 15th at this link: [OHS Yearbook](#). After this date the price will be \$50 and then \$60 once they arrive in May.

Friday Sept 15th is an Early Release Day. If you are picking up your student, please pick them up via the bus circle after buses clear. Dismissal time is 10:30 am on Early Release Days.

Students have access via their Chromebooks to the FortifyFL app. The app allows students to anonymously report information that might be important to maintaining school security. The information is then sent to law enforcement and school administrators. The app is free and can be used on mobile devices as well. Go to <https://getfortifyfl.com/> to download the app on your mobile device and encourage your students to do the same.
