Students have access via their Chromebooks to the FortifyFL app. The app allows students to anonymously report information that might be important to maintaining school security. The information is then sent to law enforcement and school administrators. The app is free and can be used on mobile devices as well. Go to <https://getfortifyfl.com/> to download the app on your mobile device and encourage your students to do the same.

The yearbook can be reserved for the lowest cost of \$40 through September 16 at this link: [OHS Yearbook](#)

Each week Mr. Kenworthy publishes a quick video giving updates on what is happening in the Okeechobee County School District. Okeechobee High School has had highlights in each of the Around the District in 90 Seconds posts. [Click here to add it to your YouTube Channel.](#)
