If I could give parents one bit of advice as they enter the tween and teen years, it would be that they don't need to react to every unpleasant behavior.

And just like that we are almost halfway through the first quarter of school year 2022 – 2023. The past 3.5 weeks have flown by as students have learned not only academics but some key elements of The Brahman Way. Lessons will continue over the next few weeks and faculty reward students with Brahman Bucks when they display PRIDE on campus. Our first lunchtime PBIS event to redeem those Brahman Bucks in on September 8<sup>th</sup>. Check out our [PBIS Rewards Program](#) for some BB purchases students can make in addition to our mid quarter and end of quarter events. Many of our teachers also allow students to redeem Brahman Bucks for food and other rewards in their classrooms. Mr. Suarez, who teaches Algebra 1 here at OHSFC, currently has a Donors Choose project setup to help fund PBIS in his classroom. Here is the link if you would like to see his project and donate: [Mr. Suarez's Donors Choose](#).

Thursday, September 8th students will bring home progress reports for the first 9 weeks. Please review and sign and return if requested by the teacher. The time for students to start building their high school GPA is right now – discuss grades and how to maintain or improve between now and the end of the quarter. Accepting no zeros is the first step in helping students move forward!

Please see this [Right to Know Letter](#) in regards to requesting information about the qualifications of your child's teachers and paraprofessionals. This letter was also sent home with students the first week of school.

Friday, September 9th is an Early Release Day. Our school day for these days at OHSFC ends at 10:25. If you are picking your student up they will be in the bus circle after buses clear at 10:30.

Parents, please join us on **Tuesday, Sept 6<sup>th</sup> at 6:00 pm** for Turn About Tuesday here at OHSFC. You will get the opportunity to be the student, visiting with each campus teacher your student has during the day, and make a lunch stop for Walking Tacos for lunch in the auditorium! Each teacher will have information to share and admin will share during "lunch". All you will need is your students schedule for the day from Skyward.
