

OHSFC PARENT NEWSLETTER

Week of: 8/15/2022

I thought raising teenagers would be like those goofy old Brady Bunch episodes about curfews, acne, and dating.
It's not.
It's more like Survivor meets Dateline- hang in there and don't murder anyone.

HeadsUp! Deadlines & Due Dates

- Return forms and signature page from Student Code of Conduct by August 31st

Welcome parents and guardians of the Class of 2026. Our parent newsletter will come to your inbox on Sunday afternoon every other week. It will include everything you need to know that your freshman may have forgotten to share! It has a two week out calendar at the bottom that includes home and away sport events and other events for our campus. You can also use the link in the side column to follow us on Facebook for weekly Saturday posts about our week here on campus and well as a link to be able to view our school announcements daily on our You Tube Channel.

Last week students received Chromebooks and packets of information as well. In the packet is a form for Chromebook insurance. The cost is \$20, which is less than the lowest cost for a repair without insurance. It does not cover loss or theft, but first time repairs of typical damages. You know your kid and whether or not you need to purchase insurance. Send the form and the payment back with your student. We also sent home info about optional school insurance and an over the counter medicine form that must be returned before we can give your student meds for a headache, etc. We will be sending out Student Code of Conducts and our Title 1 Parent School Compacts this week as well. Please discuss the compact with your students, sign it, and return it to us. The Code of Conduct is yours to keep except for a page for parents to sign and return (page 55).

Picture day is Wednesday, August 24th through Science classes. Students should receive flyers from their Science teachers this week. Payment is turned in on picture day. We will have makeups and retakes October 4th for students that are absent on Wednesday.

With home sporting events starting soon, please remember tickets will be purchased through TicketSpicket.com app. Just search for Okeechobee High School and setup your account. Our gate workers will ask you to pull up your tickets to be redeemed at the gate. Gold seat passes are currently available for purchase with individual game tickets coming soon. Cash will not be accepted at the gate.

The Fortify Florida App is a reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials. Students and teachers have it loaded as an opening tab on Chromebooks. You can download it for free at the Apple App Store or Google Play store. Just another way we are working to keep our students safe.

In between issues, you can reach me via email at vicki.goggans@okee.k12.fl.us or 863-462-5288 with any questions or concerns.
