

OHSFC PARENT NEWSLETTER

Week of: 4/10/2022

It seems like time flies after Spring Break. Progress reports go home less than two weeks from now! Much of the remaining time after progress reports will be taken up by state mandated testing as well and semester exams to wrap up the year. Please check your student's grades now, and have the work on eliminating any zeros they have. Tutorial for this year will also end of Thursday, April 21, leaving less time for help. May is too busy with testing to have tutorial – students and teachers who test them need a break in the afternoon! Teachers may still offer assistance but we will not provide transportation after April 21.

Please take a minute to complete our 2021-2022 Parent Climate Survey. This link will take you to the survey: <https://www.surveymonkey.com/r/OCSBparent2122> Feedback from parents is important to us as our number one goal is to always Move Forward!

Deadlines & Due Dates

- April 15 – Holiday -No school
- April 21 Progress Reports
- April 22 Early Release Day

Students will had the opportunity to schedule classes for next year on April 7th and 8th during their ELA classes. OHS Guidance Counselor, Elizabeth Wagner, and Grad Coach, Michelle Coleman, came to our campus to meet with students and have them enter course requests for next year into Skyward. Please ask your student what classes they put into Skyward for course selections for next year. If your student was absent on scheduling day, they can reach out to OHSFC admin or their ELA teacher for assistance.

OCSB is proud to once again offer a variety of summer programs this year. Check out this description of offerings: [Summer Programs 2022](#) The link to register is at the top of the document.

IRSC Expanding Horizons summer youth program is designed to provide students with an eight week summer enrichment program that combines academics with personal and professional development appropriate for teens' maturity and growth. The program is open to students 14-16 years of age as of June 1, 2022, who reside and attend school in Okeechobee County. Students are even eligible to earn a stipend for attending. The deadline to return the application to the local IRSC campus in Wednesday, May 11, 2022. Please click here to view or print the application: [Expanding Horizons Application](#)

OHSFC will have our annual Night of the Stars event on April 19th. This is an invitation only awards ceremony for Starts selected by faculty and their parents. Be on the lookout for an invite. We will have our end of the year awards for honor roll, subject area awards, and recognition of industry certifications and TSIC scholarship recipients on May 19, 2022 at 9:30 am in our auditorium. Students receiving awards will receive invitations for their parents/guardians to join us in honoring their accomplishments from this year.

State mandated testing kicked on April 5 with FSA Writing. Please add to your calendar and if possible do not schedule appointments for students on these days. The test sessions range from 90 min to up to ½ day for most students and we begin testing at 7:30 on these days. If students arrive late they are not able to test and will sit in the cafeterias for periods 1-4 and have to complete makeup testing. Please make sure students arrive on time and well rested for these tests.

- May 3 & 4 FSA Reading
- May 10 & 11 Algebra and Geometry EOC Testing
- May 17 Biology EOC
