We are entering the final week of grades for Quarter 2. Have you checked your student's Skyward lately? Have them find those zeros and get those assignments completed. We will have tutorial Tuesday and Thursday this week as we finish up grades.

Semester Exam week will be next week December 14 – December 18. Please see the [Semester Exam Schedule](#). This will be emailed to students as well. Students only have to come for the tests in which they are scheduled. Students may have a permission slip signed so that they are able to leave campus after their last test of the day. Permission slips will be handed out in ELA classes on Friday December 11th. It is a single sheet and students will cut the permission slip off for the day and will need to have it signed to leave campus. They may leave from OHS if their last class is there or they may leave from OHSFC. All students are required to take all semester exams and take them here on campus with the classroom teacher. This includes Option 2 students; there are no online exams. Option 2 students are scheduled to take the test with their Option 1 peers. Those option 2 students who are medically fragile may request to test in small groups with his or her teacher. Those arrangements must be made individually with each teacher. Semester exams count for 20% of the student's grade for the semester so it is important that students take them.

Take Stock in Children Scholarships are 4-year college tuition scholarships awarded to **Indian River, Martin, Okeechobee, and St. Lucie County public school students in ninth grade** who meet federal poverty guidelines as proven by family financial documents. Selected students are expected to maintain good grades, behavior, and attendance, remain drug and crime free, and graduate from high school. Parents must agree to support the educational goals of the student, allow students to meet with a volunteer mentor, and maintain good communication with the TSIC staff. (Click [More Information](#) for link to informational flyer) The application period for the Take Stock in Children Program for the 2020-2021 school year is **November 1, 2020 until January 8, 2021**. This scholarship is only awarded during freshman year so please don't miss out. Please contact us if you need help with the application process. We will be happy to assist you.

Winter sports – soccer, basketball, and wrestling – are in season. Tickets for games can be purchased on-line via Ticket Spicket app. Tickets will not be sold at the gate. Masks are required and limited seating will be available to allow for social distancing. Come out and see the Brahms in action.

Our next School Advisory Council meeting will be this Tuesday, December 8th at 6:00 pm via Zoom. Email Mrs. Goggans for the link to attend: Vicki.Goggans@okee.k12.fl.us
