Week of: 01/09/2022

If we tell a student not to do something, we must tell them what they should be doing instead. Better yet, have them explain what they should be doing.

Thank you for your support as we navigated a new normal for the first semester of high school for the OHS Class of 2025. It has not been without challenges and adjustments, but working together we continue to do what is best for students moving into the second semester. We continue with our cleaning of high touch surfaces multiple times daily. Students may wear masks if they would like. If your child is sick please keep them home. Call the office or send a note when they return to have the absence excused. **If you have your child tested for COVID 19 please keep them home until you have results.** If the results are negative students can return, if they are positive follow the advice of the Department of Health. Send a copy of the negative results for students and the days awaiting results will be excused. Students may email teachers for assignments when they are out.

Report cards went home with students on Friday 1/7. Please check the total number of credits earned along with the cumulative GPA for your student. Students will need a total of 5 credits to be promoted to 10th grade without completing credit retrieval in summer school. Students earn up to 3 credits per semester here at OHSFC. 87% of OHSFC students earned 2 or more credits this semester, with 74% earning all 3 credits. 62% of OHSFC students have a cumulative GPA of 2.0 or higher that is required for graduation. During town hall meetings with students this past week we review graduation requirements with students as they have a Google doc for tracking as they meet requirements – ask them to show it to you and share where they are at. Letters will go out notifying parents of possible retention for students who have earned less than two credits first semester. Tutorial resumes on Tuesday 1/11 for any students needing extra help. Permission slips are available in the main office and bus transportation is provided.

We currently have 3 teachers at OHSFC that are teaching Out of Field:

Teacher Name	Assignment	Out of Field Area
Patti Frank	Reading	Reading and ESOL
Kirk Rayman	Mathematics	ESOL
Melissa Tomlinson	ESE	ESOL

Winter sports – soccer, basketball, and wrestling – are in season with districts upcoming at the end of January. Tickets for games can be purchased on-line via Ticket Spicket app. Tickets will not be sold at the gate. See below for the list for spring sport try outs information and the link to the Final forms sign up for student athletes.
