

OHSFC PARENT NEWSLETTER

Week of: 5/8/22

"Enjoy the little things in life, because one day you will look back, and realize they were the big things."

As this is the concluding Parent Newsletter of school year 2021-2022, I would like to take this opportunity to thank all of the parents that have supported our efforts to provide your students a great first year as a Brahman! I look forward to seeing them walk across the graduation stage as the Class of 2025 in 3 more years. If you thought this year went fast, don't blink. That senior year will be here before you know it – start saving now!

We will have our end of the year awards for honor roll, subject area awards, and recognition of industry certifications and Take Stock in Children scholarship recipients on May 19, 2022 at 9:30 am in our auditorium. **Students receiving awards will receive printed invitations and an email inviting parents/guardians to join us in honoring their accomplishments from this year.**

Don't miss out on the chance for your student to having a lasting memento of their first year in high school! Yearbooks are on sale. They can be purchased here on campus from Mr. Adler in room 204. The cost is \$60 cash or check made out to Okeechobee High School. They sell out almost every year so don't wait to purchase.

IRSC Expanding Horizons summer youth program is designed to provide students with an eight week summer enrichment program that combines academics with personal and professional development appropriate for teens' maturity and growth. The program is open to students 14-16 years of age as of June 1, 2022, who reside and attend school in Okeechobee County. Students are even eligible to earn a stipend for attending. The deadline to return the application to the local IRSC campus in Wednesday, May 11, 2022. Please click here to view or print the application: [Expanding Horizons Application](#)

We are half way through our state mandated end of year testing. Please add these dates to your calendar and if possible do not schedule appointments for students on these days. The test sessions range from 90 min to up to ½ day for most students and we begin testing at 7:30 on these days. If students arrive late they are not able to test and will sit in the cafeterias for periods 1-4 and have to complete makeup testing. Please make sure students arrive on time and well rested for these tests.

- May 10 & 11 Algebra and Geometry EOC Testing
- May 17 Biology EOC

Friday, May 20th is the last day of regular classes for students. We will have our final PBIS reward event from 12:00 – 1:45 on this day. May 23 – 25 is second semester exams. Students are not required to be on campus unless they have exams to take – attendance is not takDue to FSA and EOC tests, freshman do not have semester exams in Algebra, Geometry, or Biology. Tests are also not required for Reading classes and are optional for ELA classes. Please see this [Parent Letter](#) for the dates and times of testing. Permission slips for students to leave campus early on testing days will be given out through ELA classes on Thursday, May 19th. Please make sure your student returns any issued textbooks, library books, and their Chromebooks after their final test. Charges for non-returned items will be posted in Skyward for student fines and fees and will prohibit students from purchasing parking and Homecoming tickets in the fall until the fees are paid.

Wishing all of our Brahman Class of 2025 a safe summer break. Here is a link to the [Active in Okeechobee Summer Activity Guide](#). It is full of safe and supervised activities for students this summer. The best of luck to our students as you move on to the main campus. Move Forward, Be Great, and Be Brahmans!
