

OHSFC PARENT NEWSLETTER

Week of: 3/06/2022

Heritage Day was a huge success! Thank you to all of the parents and community members who joined us in this multi-cultural celebration. Here is a link to a short video showcasing some of the student experiences from the day: [Heritage Day](#)

5 school days remain in this quarter. Please encourage your students to give that final effort in finishing strong this quarter. The more effort they extend now, the less pressure they will have for the final quarter of their freshman year. This week students will have 9 weeks tests (see calendar on next page for the tests given each day) and Friday March 11 will be the end of the third 9 Weeks. Spring Break is next week, March 14-18. OHSFC will be closed for the week. March 21 will be teacher workday and then report cards will go home on March 24th.

Brahman Gear never goes out of style! I am loving this T-shirt designed by our Student Council. It proudly proclaims Our Town, Our School, Our Family. Proceeds from the sale of the shirts will help offset costs for our OHSFC Night of the Stars, upcoming April 19th. This event allows each staff member to select a student that embodies The Brahman Way in all they do. This year we will once again be able to hold the event in the evening and invite families to attend. Here is [the link](#) to the order form for the shirt. Orders are due by March 9th and the shirts will arrive shortly after Spring Break.

Shortly after Spring Break students and parents will receive information about scheduling for next year. In the meantime, here is [the link to a presentation](#) that highlights the many Career and Technical programs offered at Okeechobee High School. If your freshmen took Ag Foundations, Digital Info Technology, Automotive, or Building Construction Technology, they have already taken the first course in their certification programs. Be sure to click all the way to the end to see how students can earn an Honor Cord for graduation and earn scholarship money for college.

State mandated testing dates have been finalized by the district. Please add to your calendar and if possible do not schedule appointments for students on these days. The test sessions range from 90 min to up to ½ day for most students and we begin testing at 7:30 on these days.

- April 5 FSA Writing
- May 3 & 4 FSA Reading
- May 10 & 11 Algebra and Geometry EOC Testing
- May 17 Biology EOC

#GoBrahmans #TheBrahmanWay

IN IT FOR THE
long run.

Deadlines & Due Dates

- March 11 – End of Quarter 3
- March 14 – 18 Spring Break
- March 21 Teacher Workday
