Week of: 3/27/2022

Welcome to the last quarter of your student's first year of high school! With testing and everything else to wrap up the year this quarter always goes fast. Make sure your student is staying on track for finish strong with the credits and GPA to move on to 10<sup>th</sup> grade – ask them about their assignments, check Skyward for the those pesky zeros, make sure they come prepared for their FSA and EOC testing days.

Students will have the opportunity to schedule classes for next year on April 7<sup>th</sup> and 8<sup>th</sup> during their ELA classes. OHS Guidance Counselor, Elizabeth Wagner, will be here on our campus to meet with students and have them enter course requests for next year into Skyward. Here is the link for the most current OHS Course Selection Sheet: [OHS Course Selection Sheet](#). Please review with your student and discuss possible classes prior to scheduling. Please note that students will schedule for 7 periods of classes per day at OHS.

IRSC Expanding Horizons summer youth program is designed to provide students with an eight week summer enrichment program that combines academics with personal and professional development appropriate for teens' maturity and growth. The program is open to students 14-16 years of age as of June 1, 2022, who reside and attend school in Okeechobee County. Students are even eligible to earn a stipend for attending. The deadline to return the application to the local IRSC campus in Wednesday, May 11, 2022. Please click here to view or print the application: [Expanding Horizons Application](#)

OHSFC will have our annual Night of the Stars event on April 19<sup>th</sup>. This is an invitation only awards ceremony for Starts selected by faculty and their parents. Be on the lookout for an invite. We will also have a separate ceremony for awards during the month of May. Stay tuned for more information on that in April.

We will have our last School Advisory Council meeting for this year on Monday, April 4<sup>th</sup> at 6:00 pm via Zoom. If you are interested in attending, email [Vicki.Goggans@okee.k12.fl.us](mailto:Vicki.Goggans@okee.k12.fl.us) for the link to join.

Climate survey links for parents to provide input will be in the next newsletter. Be sure to let us know how we can move forward and be great!

State mandated testing dates have been finalized by the district. Please add to your calendar and if possible do not schedule appointments for students on these days. The test sessions range from 90 min to up to ½ day for most students and we begin testing at 7:30 on these days. Please make sure students arrive on time and well rested for these tests.
