The prefrontal cortex

(the good decision-making part of the brain)

is not fully-developed until the age of 25.

HANG IN THERE.

Students have been emailed an interest form for the 2022 Brahman Cheer squad. The coach will be holding a parent information meeting on March 8th in the OHS cafeteria at 6:00 pm. This meeting is mandatory for any student interested in trying out for the 2022 team. Cheer tryouts are March 29-31 from 4:15 pm – 6:15 pm in the OHS gym.

Parents please take a few minutes to give us feedback on our Title 1 program using this survey link – [Title 1 Survey](#). Your input is vital as we look towards next year and begin the process of planning. Results are shared with schools to guide our thought process. We will also be gathering parent input in regard to our Title I/Title IV/Title V programs at our Quarter Three School Advisory Council Meeting on Wednesday, February 23, 2022 at 6 pm. All SAC meetings are via Zoom. Email me for the link at Vicki.Goggans@okee.k12.fl.us

The **Athletic Boosters Club needs your help!** Our Athletic Boosters Club has dwindled down to only 8 members, most of which no longer have athletes within our Brahman Athletics teams. They are looking for new members who can commit to meeting the 1st Monday of each month. Meetings are held at OHS in the Driver's Ed portable (the one with the bull painted on the side) at 6:30 PM. The next meeting will be held on March 7. We would love to see you there. Due to the lack of member, funds are getting low. These funds support all sports on campus but are especially helpful for sports that do not sell tickets for their games. BBQ tickets for March 11 fundraiser are on sale for \$10, see your athlete's coach for a ticket.

State mandated testing dates have been finalized by the district. Please add to your calendar and if possible do not schedule appointments for students on these days. The test sessions range from 90 min to up to ½ day for most students and we begin testing at 7:30 on these days.

- April 5 FSA Writing
- May 3 & 4 FSA Reading
- May 10 & 11 Algebra and Geometry EOC Testing
- May 17 Biology EOC
