Announcements**

Subscribe to our OHS Announcements on our YouTube Channel and get a daily notification to watch. [Click Here](#) to subscribe.

Interested in how the Class of 2024 fared for first semester? Please check out these two links that were shared at our last School Advisory Council meeting. They provide a summary of GPA's, credits earned, and a comparison of referral counts from last year to this year.

[OHSFC GPA & Credits Data 20-21](#)
[Referral Comparison](#)

Please remember students are required to wear a mask and work to ensure social distancing when possible. Following mask guidelines and social distancing will enable us to keep faculty, staff, and students here safely. If you are interested in the number of students and faculty quarantined due to COVID 19 and the number of positive cases at each school site check out the [District COVID 19 Dashboard](#). Page 1 tracks exclusions and Page 2 tracks positive cases by date and location.

Does your student know where their OHS ID is? It is an expectation that they wear it every day on a lanyard. With masks it helps us identify students and keep everyone safe. Students also have access via their Chromebooks to the FortifyFL app. The app allows students to anonymously report information that might be important to maintaining school security. The information is then sent to law enforcement and school administrators. The app is free and can be used on mobile devices as well. Go to <https://getfortifyfl.com/> to download the app on your mobile device and encourage your students to do the same.

The Hispanic Scholarship Fund invites you to join the upcoming virtual College 101. This is a free, bilingual, webinar held on weekday evenings where you will receive valuable information on how to prepare, plan, and pay for a college education! This information will address the needs of ALL middle and high school students and their parents. People of all ethnicities and backgrounds are welcomed and encouraged to attend and you can choose to receive information in English or Spanish. You can register for upcoming sessions in February or March at <https://www.hsf.net/college-101>

Starting this week students will use PRIDE time on each Wednesday to access free SAT Khan academy practice. The practice is custom to each student based on their PSAT scores from this year and focuses on math and language arts skills students need now and in the future. Click here for a list of reasons why we are incorporating this practice into our weekly routine: [Khan SAT Practice](#)

Our next newsletter will have information about scheduling for next year for the class of 2024 – stay tuned!

Winter sports are heading into districts and regionals this week and games for spring sports start next week. Tickets for games can be purchased on-line via Ticket Spicket app. Tickets will not be sold at the gate. Masks are required and limited seating will be available to allow for social distancing. Come out and see the Brahmans in action.
