

OHSFC PARENT NEWSLETTER

Week of: 09/20/2020

I wish that every parent of the children I teach knew that:

- I care about their children.
- Every child in my class holds a very special place in my heart.
- I take my work very seriously and want to make a difference.
- I hope they, the parents, will work as a team with me, and together we can make an even bigger and better difference for their children.

The OHS Class of 2024 has been busy learning the routines of high school as we have moved beyond learning procedures to learning in the classrooms. Progress reports gave parents and students a chance to review academic progress. Remember to use your Parent Access to Skyward to monitor grades and accept no zeros! If you need your user name and password, give us a call and we can provide that information. Students spent time this past week with OHS Graduation Coach, Michelle Coleman, learning about credits and GPA. Now would be a great time to ask them about those two very important pieces of the graduation puzzle. She will visit again in January to help them assess their progress from first semester.

OHSFC will have our first School Advisory Council (SAC) Meeting on Tuesday, Sept. 29 at 6:00 pm via Zoom. We will review OFC's part in the overall OHS School Improvement Plan and discuss some key academic questions you should be asking your freshman right now to ensure they are on the path to becoming a sophomore. Please join us. Email me at Vicki.Goggans@okee.k12.fl.us and I will send you the link for the meeting.

Did your student take Algebra 1 or Geometry last year as an eighth grader? If so, please ask them about the letter they received (via email for Option 2 students) about Algebra 1 and Geometry End of Course tests. Both tests will be given Sept 29 & 30th for Option 1 students and Oct. 6 & 7 for Option 2 students. Please review the letter carefully and choose an option for your student to test or decline testing for now. Forms should be returned by Wednesday, Sept 23rd.

Support OHSFC by purchasing a [We Are Brahman T-shirt](#). Order form has 3 receiving options. NHS is selling [Spirit Masks](#) to support their End the Hunger backpack program. Deadline to purchase either is Friday, Sept 25th.

This week is the first JV and Varsity Football home games. It will also be Senior Night for Football and Cheer. Tickets are limited! Only 600 tickets are reserved for the home side (25% capacity) and 200 for away. JV tickets will be sold at the home gatehouse until capacity is reached. Varsity Football and Cheer parents have 4 tickets reserved (\$6 each). Parent Cards (specific to the athlete) for football and cheer will be distributed at practice. These cards will guarantee you access to purchase 4 tickets (max.) at the home gate house. You must have this parent card to purchase your four tickets. Parent-reserved-tickets that are not purchased by 7:15 PM will be sold to the general public. All tickets will be \$6 (no student tickets and no passes) and sold at the gate until we have reached capacity (no e-tickets this game). Parking will be \$5 per vehicle. Please note that there are special rules and procedures that must be observed while on campus: All spectators must wear a mask while on campus. (Face shields are not permitted in place of the mask.) All spectators will have their temperature checked on the forehead, prior to the purchase of the ticket. Please socially distance yourselves in the stands. No spectators will be given access to the game field before, during, or even after the game. All spectators must remain in the stadium seats (no one will be permitted to stand in the rocks, at the fence, or play in the grass). Concession stand will be limited to pre-packaged items only. OHSFC students attending either game will need their ID to be allowed to purchase tickets unless with an adult.

This year at OHSFC we have three teachers teaching Out of Field:

Teacher Name	Out of Field Area
Jennifer Hughes	Reading Endorsement
Jennifer Mulvey	English (5-9), ESOL
Joe Suarez	ESOL

Please see this [Right to Know Letter](#) in regards to requesting information about the qualifications of your child's teachers and paraprofessionals.
