And just like that we are halfway through the first quarter of school year 2021 – 2022. The past 4 weeks have flown by as students have learned not only academics but some key elements of being a Brahman, including their first few lessons about the aspects of PRIDE. Lessons will continue over the next few weeks and faculty reward students with Brahman Bucks when they display these characteristics on campus. Check out our [PBIS Rewards Program](#) for some BB purchases students can make.

Thursday, September 9 students will bring home progress reports for the first 9 weeks. Please review and sign and return if requested by the teacher. The time for students to start building their high school GPA is right now – discuss grades and how to maintain or improve between now and the end of the quarter. Accepting no zeros is the first step in helping students move forward!

Yearbooks are on sale for pre-order at their lowest price of the year - \$40. The price will go up and is usually around \$60 once they arrive. Order now on-line here: [Yearbook On-Line Pre Order](#)

Homecoming is the week of Sept 27 – Oct 2. Please check out this informational flyer for the week: [Homecoming Information](#).
